ARTISTIC ABSTRACTS

DESIGNED TO INSPIRE

ABOUT THE COLLECTION

Artistic experimentation with the interplay of form, color and texture has led to an avant-garde reimagining of familiar design motifs.

ABOUT YORK WALLCOVERINGS

Created to cover the diversity and overarching themes which drive the home decor industry, the York Wallcovering brand creates an umbrella of distinctive design options for walls inspired by social, trend and fashion influences.

NON-WOVEN

This collection features multiple product types.

NON-WOVEN: Non-woven is a blend of compressed natural cellulose and synthetic fibers that forms a high-quality wallcovering base. It does not expand and contract with moisture yet is breathable and resistant to tearing. Seams match simply, with paste being applied either to the wallpaper back or directly to the wall. Non-woven hangs and repositions with ease and removes in full strips. Once applied, the finish has a textural hand associated with upmarket installations.

EMBOSSSED VINYL ON NON-WOVEN BACKING: Embossed in Register vinyl creates an authentic textural effect on non-woven substrate backing.

EMBOSSSED VINYL ON UNPASTED PAPER BACKING: Embossed Vinyl creates authentic textural effects on a paper substrate backing.

SURE STRIP® WALLPAPER: The newest generation of wallcoverings, Sure Strip® Wallpapers utilize a special high performance paper in combination with a technically advanced adhesive formulation to make installation easy and future removal even easier.

• REVOLUTIONARY NEW PAPER • ENVIRONMENTALLY FRIENDLY INKS • PREPASTED – WASHABLE
Sure Strip® Wallpapers are the easiest wallpapers you'll ever put up...or take down.
