ABOUT YORK WALLCOVERINGS

Created to cover the diversity and overarching themes which drive the home decor industry, the York wallpaper brand collections create an umbrella of distinctive and popular design options for walls inspired by social, trend and fashion influences.

PRODUCT TYPE

This collection features multiple product types. Product types are identified on the backprint of each pattern.

NON-WOVEN: Non-woven is a blend of compressed natural cellulose and synthetic fibers that forms a high-quality wallcovering base. It does not expand and contract with moisture yet is breathable and resistant to tearing. Seams match simply, with paste being applied either to the wallpaper back or directly to the wall. Non-woven hangs and repositions with ease and removes in full strips. Once applied, the finish has a textural hand associated with upmarket installations.

SURE STRIP® WALLPAPER: The newest generation of wallcoverings, Sure Strip® Wallpapers utilize a special high performance paper in combination with a technically advanced adhesive formulation to make installation easy and future removal even easier.

• REVOLUTIONARY NEW PAPER • ENVIRONMENTALLY FRIENDLY INKS • PREPASTED – WASHABLE
Sure Strip® Wallpapers are the easiest wallpapers you'll ever put up...or take down.

ROLL SIZE

Unless noted with an asterisk (*), all double rolls of wallpaper in this collection are:

27" wide X 27' long totaling 60.8 sq. ft. (68,5 cm X 8,2 m or 5,6 m²)
